Director Mike Willis,

On behalf of the Jackson Parish Sheriff's Office, I want to convey our deepest appreciation for you, the United States Deputy Sheriff's Association, and for the Ballistic Shield that was donated to our agency.

The professionalism exhibited by your organization is second to none. The timely way our application was processed along with the almost immediate delivery of the shield shows the care and concern you have for the safety of law enforcement officers across the United States. We will immediately begin to utilize this piece of equipment in training and in the real world to further ensure the safety our Deputies. Thank you once again for your donation and for your continued efforts your organization makes to support law enforcement and first responders. May God bless you and all those in your organization.

Sincerely,

A handwritten signature in blue ink that reads "Stephen W. Watts, Jr." with a large, stylized initial "S" that loops under the name.
