On behalf of the East District we want to express our gratitude for your kind gesture. All the officers were very appreciative for the positive feedback and notes of support. If possible I would like to thank each individual that took the time out to fill out a card and add that personal touch.

I personally want to thank you for taking the time out of your busy schedules to coordinate this event for the entire department. During the present times when being an officer has such a negative undertone it is nice to see that we are still appreciated and being recognized.

Most off all, your thoughtfulness and acknowledgement of the officer's dedication, hard work and sacrifice continues to strengthen the moral within each of us.

We want to thank you for your continued support it did not go unnoticed.

Kind Regards,

Captain Cruz
