On behalf of the City of Kechi and the Kechi Police Department I would like to give the United States Deputy Sheriff's Association a special "Thank You" for the equipment we received from your organization. The equipment consisted of three (3) first aid kits and one (1) FLIR Scout TK. This equipment will be utilized by all officers of our department.

Again, I thank your organization for everything it does by providing safety equipment to agencies across the country that allows officers to better protect and serve the community.
