Greetings,

The Kingman County Sheriff's wants to thank you personally for donating a ballistic shield and the new PBT. We are a small Sheriff's Office of 8 full-time positions, including the Sheriff and Undersheriff that patrols 867 sq miles

The items that were donated will help keep us safe in the field. The PBT will start the process of us replacing the old ones that we have in service now.

I would also like to Thank you personally for the training that USDSA provided in Kingman. I look forward to more training in the future. Thank you again for all your hard work and everything you do.
