The Klickitat County Sheriff's Office would like to thank you for graciously donating three Rifle Plates/Active Shooter kits to our agency.

Klickitat County, Washington is a rural county that covers nearly 2,000 square miles, with a population of just over 22,000 people. Our agency has fifteen full-time deputies and two full-time detectives.

Like agencies across the nation, budget cuts continue to challenge our agency. The US Deputy Sheriff's Association donation program is crucial to the safety of Law Enforcement Nationwide.

Thank you again!
