Dear United States Deputy Sheriff's Association,

On behalf of the Lake Charles Harbor Police Department, we would like to thank you for your donation of tourniquets and holders.

With all of our officers now having tourniquets in their possession, it will not only help protect our officers, but the employees, tenants, and visitors of the Port of Lake Charles from the constant threat that law enforcement faces every day but also the inherent dangers faced working in and around the heavy machinery at the port.

We appreciate the role your organization has taken to help provide departments with the tools that are sometimes overlooked in budgetary shortfalls but that are needed to protect their officers as well as the public.

Again, Thank You for your for your extremely fast response and delivery of the tourniquets and holders.

Sincerely,

A handwritten signature in black ink, appearing to read "Gerald Fraiser", written over a white background.
