

LAKE VIEW POLICE DEPARTMENT

Chief of Police Christopher Jochims

Date:07/13/2023

I would like to thank the United States Deputy Sheriff's Association for donating two Spike Devil spike strips to the Lake View Police Department. As a small rural department, receiving donations for equipment from organizations like the United States Deputy Sheriff's Association is critical to our continued success. Having the ability to slow down or end pursuits ensures the safety of our community and the surrounding communities.

Upon receiving this equipment, the Lake View Police Department conducted training in proper deployment as it pertains to department policy to ensure that all members understand how, when, where, and why this equipment will be used. Again I would like to thank the United States Deputy Sheriff's Association for this generous donation in support of our local small-town department.
