Kelly Naselroad  
Chief of Police

---

United States Deputy Sheriff's Association,

On behalf of the Lapel Police Department and the Town of Lapel, I wish to share my deep appreciation to you and your partners for the donated equipment we received. As a small department with less than 10 Sworn Officers, you can imagine my budget is as small as my number of personnel and every donation we receive allows my budget to stretch just a little farther. Your donation of the flashlights, first aid kits, and the portable breath test instrument we received are greatly appreciated and will be put to good use. Due to budget constraints I am not always able to provide my department with many pieces of equipment that officers on larger departments take for granted and my officers have been forced to either go without or spend their own money on equipment and supplies. Your generous donations have been well received by the officers of this department and I hope you are able to pass on to the many partners of USDSA how much their donations mean to us and how much we appreciate their generosity.

With warmest regards,

Kelly Naselroad  
Chief of Police
