RE: Two Smart Firearms

Dear Mike:

On behalf of the Lawrence County Sheriff's Office, I would like to personally thank you and the United States Deputy Sheriff's Association for the 2 Smart Firearms that you graciously donated to my department. Your support helps us continue in our mission to adequately train our personnel.

Also, this is the sixth time you and your staff have come to our location and trained my staff. The training was very informative and the skills the Deputies learned will be extremely useful in future situations.

We look forward to the next time we are able to train with you both.

Sincerely,
