Sheriff Rodney Derryberry

To: United States Deputy Sheriff's Association

On behalf of the LeFlore County Sheriff Department I want to express my deepest appreciation to the United States Deputy Sheriff's Association for the donation of a ballistic panel shield. This will greatly increase officer safety during high risk operations. The work that your organization does for officers across the nation does not go unnoticed.

A handwritten signature in cursive script, reading "Rodney Derryberry", with a long horizontal flourish extending to the right.

Rodney Derryberry, Sheriff
