

Sheriff Gary B. Parsons with the Lee County Sheriff's Office in VA would like to send a special thanks to Mike Willis and staff of US Deputy Sheriff's Association for their assistance in helping our department with some much-needed purchases through their Grant Program.

During these trying times we have had some difficulty being able to provide much needed items. We cannot thank Mike and the staff at USDSA for the help in making us able to purchase two office chairs, a heavy-duty paper shredder, a laptop for our Investigators and two AED batteries along with several replacement pads for our patrol officers to have out in the field which has proven in the past to have assisted in saving lives in certain situations. All of these items come at a cost and with our current budget priorities would not have been possible.

Again, I want to give sincere thanks to the USDSA for allowing this to be possible!

Thank You!

Sheriff Gary B. Parsons and staff of Lee County Sheriff's Office, Lee County, VA
