Ladies/Gentlemen,

Thank you so much for your generous gifts of the combat gauze packets and tourniquets. We also appreciate the cards of support that were sent as well. This gift came at a great time since our current supply of combat gauze is beyond the expiration date and we were debating if we had enough money in our budget to cover the cost of replacing it. As you probably know, we are a small agency and constantly struggle with budget concerns. We greatly appreciate any assistance and donations received as we try to equip our officers to the best of our ability so they can perform the difficult tasks they are expected to do daily.

It is also great to hear of positive support from citizens as we often only hear of the negative opinions of the public and criticism of our performance. It is nice to be reminded there are those who appreciate our service and are there to support us.

Thank you for all you do. It is greatly appreciated!

Sincerely,

A handwritten signature in black ink that reads "David K. Clemens" with a long horizontal flourish extending to the right.
