RE: SPIKE DEVIL GRANT

I would like to extend my sincere appreciation and thanks for the donation your organization made to my department. As a department in a small rural town, equipment, and funding for it are sparse. Thanks to organizations like yours, rural law enforcement can have proper necessary equipment.

Thank you again, I cannot express enough how fortunate we are to receive grants for equipment like this Spike Devil system! An added benefit is that now that we have one and our council can actually see the system and how it is deployed and operates, it makes it more likely they may fund another system for our reserves vehicle.

Sincerely,
