Dear United States Deputy Sheriffs Association,

In November of 2022 we contacted you in regards to assisting us with the purchase or new ballistic vest for two of our department members. Without hesitation, you generously donated two brand new Point Blank ballistic vest to the Ludlow, Vermont Police Department.

Your assistance in this matter is extremely helpful as one of our vests were expired well past the expiration date. We are a small agency and any assistance with funding is a tremendous help.

On behalf of the Ludlow Police Department, we want to send a sincere thank you for your donation and for the work your association does to help law enforcement nationwide.

Thank you again!!

Sincerely,

Jeffrey M. Warfle
