CHIEF

CAPTAIN

Mike Willis

United States Deputy Sherriff's Association

We all at the Ludowici Police Department would like to thank everyone involved with the USDSA for the generous donation of five Point Blank Armor ballistics vest. Being a small department budgeting is a major concern and your donation allows us to keep our officers outfitted with updated officer safety equipment without affecting our operating budget. Our entire department is extremely grateful for including us in your donation program which has freed up funds to purchase other much needed equipment.

Captain,
Jason Dubberly
