

## Lutcher Police Department

Dear Mike Willis & the entire USDSA Organization,

I want to express my appreciation of the recent donation of twenty-four (24) traffic cones and three (3) stream light stinger led flashlights. The equipment received will be utilized for everyday duties as well as situations that arise that they are needed.

In this ever-changing world it is nice to have the great support from an organization like yours. Once again, thank you for the generous donation.

Sincerely,

*Chief Dwan Bowser*
