

USDSA,

Thank you for the FLIR Device and the 3 Trauma Response Kits. They will assist in the safety of the Lyndon Police Department Officers. The FLIR will not only benefit the Agency, but the surrounding agencies with locating suspects and/or missing persons. The Trauma Kits will assist with the safety of Officers, Victims, and Subjects in need of medical care prior to arrival of EMS.

Chief David Forkenbrock

Lyndon Police Department

730 Topeka Ave.

Lyndon, Kansas 66451
