RE: Equipment

Sir/Ma'am,

On behalf of our Deputies and citizens of our County I would like to thank you for your equipment donation. We are SUPER grateful and appreciative of the equipment provided on our grant request. The 3 PBT's and 12 Emergency Belt Trauma Kits have already been placed into the field and in use by our Deputies.

With budget funds tight in law enforcement across our entire Country it is agencies and organizations like yours who really make a difference to the safety of our Deputies.

We cannot thank you enough for the support you provide law enforcement across the United States.

Respectfully,

Chris Heitman, Sheriff
