

To Whom It May Concern,

On behalf of the Mariposa County Sheriff's Office, CA, I want to thank the United States Deputy Sheriff's Association for the care package that we just received. The package contained many, many support/thank you cards from citizens who support their professionals in law enforcement and also useful medical items for our deputies.

These current times are troubling and difficult for our dedicated law enforcement professionals. The tone, driven by the constant national media supporting anti-authority and 'defund the police' is the catalyst to building anxiety within our ranks and community.

These are certainly unfortunate times, however, seeing the many support letters helps morale and will strengthen the mindset of our professionals, who remain committed to serve community.

Thank you to Mike Willis and David Hinnners of USDSA and all of the staff and support persons that drive this program.

We appreciate you.

Sincerely,

Doug Binnewies
