Mr. Willis,

I would like to extend our department's sincerest thanks for your association's recent donation of three rifle plates and carriers. Marlborough is a small community with only three full-time officers and a limited budget, which makes this equipment that much more meaningful to us. We have never had the opportunity to utilize this type of added protection before and, although I hope its never needed, our officers and community are that much safer for having it available.

I hope you, your association, and your families have a happy, safe, and healthy 2023.

With gratitude,
