On behalf of Sheriff Patrick Boggs and the Deputies of the Mason County Sheriff's Office, we would like to express our appreciation for the donation of the CMI PBT 800 supplied by your association. The PBT has been issued to a Deputy and has already been in use within our community. Again, we appreciate the donation and the continued support by the United States Sheriff's Association. If our agency can ever assist with anything, feel free to contact us.

Thank,
