Ref: Donation

Chief Guy Nerren along with Mayor Neil Arsement would like to thank all who had a part in making this Donation to the Maurice Police, the 4 sets of Spike Devil Spike Strips will be another tool added to the officers to hopefully take the law breakers off of the street without injury to the law breaker and the innocent.

Acquiring these types of items for small departments is a challenge due to budget restraints on smaller Municipalities.

Again Thanks for what your organization does!!!

Sincerely
