

The McCreary County Sheriff's office would like to sincerely thank you for the donation of 3 PointBlank Vests. Our department sincerely appreciates it. Our budget is small, but we strive to do our best to protect ourselves, and with your donation it makes it easier to reach that goal. Again, this is a great and simple program and for that we Thank you all. We appreciate that you all help the small and in need departments.

God Bless,
Chief Dustin Ridner
