Re: Equipment Grant

On behalf of the Medford Police Department, I would like to thank you for your equipment grant to our department. We are a small rural department with three full-time officers and five reserve officers. The donation of the FLIR Scout TK compact thermal monocular, eight Z-Medica IFACs and 4 boxes of Sirchie NARK II test kits is very much appreciated.

We have already begun training with the FLIR and are looking forward to having it as another tool in our belts. Also, the department just hosted a Tactical Medicine class, so the IFACs came at a very appropriate time. We hope we don't have much call for the NARK kits, but realistically, we fully expect to use up the supply.

Again, thank you for the grant.

Sincerely,

James Shepherd, Chief of Police
Medford Police Department
