The Miller County Sheriff's Office would like to extend huge thank you to the United States Deputy Sheriff's Association for being so generous with donating a needed ballistic shield for swat team and patrol personnel. This equipment will provide a measure of protection for our officers while managing critical incidents. Organizations like yours are special and appreciated more than you know. Again, I would like to say thank you and please keep doing wonderful things. God Bless.

Sincerely,

Miller County Chief Deputy

Michael Rayhart
