

Millersville Police Department

1246 Louisville Hwy, Millersville, Tennessee 37072
Phone: (615) 859-2758

On behalf of the Millersville Police Department, I would like to thank the US Deputy Sheriff's Association for their support. We were very quickly provided with a shield that will help protect our officers as we execute search warrants and make other emergency entries. We were also provided with Trauma Kits that each officer is able to wear on their duty belt which can assist in an emergency situation.

I would like to further add that as a small department, with a small budget, we are in constant need of equipment as our jobs in law enforcement continues to change and offer new challenges. There are many times that we are ill equipped due to one need being more important than another, but both needing to be met. We are extremely grateful that you were willing to help us and to do so quickly. Thank you again!

Sincerely,

Sergeant Josh Barnes
Millersville Police Department
