United States Deputy Sheriff's Association
2233 S West St Ct
Wichita, KS 67213

USDSA,

The Miner County Sheriff's Office would like to thank you for awarding our agency with Point Blank ballistic helmets for our officers. As the frequency of higher risk calls increases, the need for proper safety equipment cannot be understated. With your help, our officers can maintain a higher level of safety when the situation requires it.

You have an outstanding organization that does amazing things for departments all over the country. Thank you.

Chief Deputy Josh Hahn
Miner County Sheriff's Office
