

Always in Our Hearts...

MINNESOTA DEPARTMENT OF NATURAL RESOURCES

U.S. DSA—  
Thank you so much for your support  
of the generous donation to the Grell  
family. It means a great deal to  
our officers and their families.

As we grieve her loss and honor her legacy,  
we remember

**Conservation Officer Sarah Grell**

fondly and pay tribute to a great person  
who proudly served Minnesota's people  
and natural resources.

The outpouring of support has comforted

Sarah's family, friends, partners and  
community during these difficult times.

Thank you.
