To the United States Deputy Sheriff's Association, we here at the Molena Police Department cannot say thank you enough. We have received the flashlights that you donated to the department a few days ago. Since, they have been issued out to all our sworn personnel and are being utilized on the road as we speak. The team loves them, and they will be a huge asset to our department. We appreciate your support and all you do for law enforcement across the nation. Thanks for helping ensure the safety of the officers here at the Molena Police Department.
