To: United States Deputy Sheriff's Association

From: The Monroe County Sheriff's Office

On behalf of the Monroe County Missouri Sheriff's Office, I would like to thank you for the generous donation of the 9 Streamlight Stinger flashlights and 4 sets of Spike Devil Spike Strips. We will be able to distribute them to our patrol deputies immediately.

With this donation each of our deputies will be able to be more visible while working evening and night shift patrol along with conducting everyday tasks with the Stinger flashlights. We also will be able to assist each other and other surrounding agencies with stopping fleeing suspects in emergency situations by utilizing our new spike strips.

Thank you again United States Deputy Sheriff's Association for the generous donations to the Monroe County Sheriff's Office

Thank you and God Bless

Monroe County Missouri Sheriff's Office

Chief Deputy

Patrick McKenzie
