Ref: Donated Equipment

Dear Mr. Willis,

On behalf of the Morris Police Department and myself I would like to take this opportunity to say Thank You. We are a small department of 3 full time and 3 reserve officers with a very limited budget. If it was not for the generosity of the United States Deputy Sheriff Association (USDSA), We would not have been able to provide the much-needed equipment for our officers. Your donation of New Kevlar vests and New Portable Breath Test device has allowed us to provide our officers with reliable equipment to continue serving our community. There are not enough words to convey our gratitude to your organization or to Mr. Willis for coordinating and providing to this department, and all the others you have assisted. Again, Thank You very much for your service.

Sincerely,

Chief T. Bell
