On behalf of the town of Mt. Olive, Mayor James Kelly and the Board of Alderman, we would like to say thank you and the United States Deputy Sheriff's Association for the equipment donations to our department. This has been a tough time world-wide for Law Enforcement during this pandemic but your donations have been a blessing and a breath of fresh air to our Police Department. Every donation will used to protect our team of officers as we navigate through these tough and challenging times, please accept this letter as our official acceptance and thankfulness for the donations. These items were much needed in our department to better serve our town. Without your donation this wouldn't have been possible. Again, I would like to say THANK YOU.
