

Memorandum For: United States Deputy Sheriff's Association

19 May 2020

Subject: Departmental Gratitude

I wanted to take a moment to express my department's gratitude in your recent support in obtaining emergency belt trauma kits for my staff. The kits will indeed assist the agency and help protect the men and women of the department and community. As a small department with a limited budget obtaining the trauma kits were thought to be a dream. You, and your Association has made that dream a reality for the department, in which, I cannot thank you all enough. Stay safe!

A handwritten signature in black ink, appearing to read "P. G. Downey".
