IN SERVICE TO OUR COMMUNITY
SPENCER S. CERRUTO
CHIEF OF POLICE

June 1, 2022

Dear United States Deputy Sheriff's Association,

The New Milford Police Department would like to thank you so much for your kindness and generosity in donating new preliminary breath test instruments. These instruments will be utilized to train officers in the detection of impaired drivers, educate the public on the dangers of impaired driving, and combat impaired driving in our community.

Our agency would not be able to provide excellent service to our community without the amazing support of our community partners, donors, and associations like you.

Again, thank you.

Respectfully yours,

Spencer S. Cerruto
Chief of Police
