Dear Mr. Willis and Mr. Hinners:

Thank you for contacting the New York State Police to express your support for our agency and law enforcement officers across the United States. The individually signed thank you cards you sent will be distributed to our members in the field where I am certain they will be greatly appreciated.

Your efforts in ensuring that members of law enforcement are aware of the esteem in which they are held by the majority of the people we serve is impressive and of great value. This kind gesture and your words of support are greatly appreciated.

Sincerely,
