POLICE CHIEF – EDWARD SMITH

March 4, 2021

To: Mike Willis – United States Deputy Sheriff’s Association

On behalf of Chief Smith and the officers of the Nicoma Park Police Department we would like to thank the United States Deputy Sheriff’s Association for their generous donation of a ballistic shield and two portable breath tests. These items have already been used by our officer in the field to help enforce drivers under the influence and we’ve been able to use the ballistic shield on two search warrants. Without your generous donation our officers would not have these valuable tools to use to keep the public and themselves safe while performing their duties.

Respectfully,

Ofc. B. Lander
