

The Northeast Oklahoma A&M College Dept. of Public Safety / Campus police wants to express our sincere gratitude to the United States Deputy Sheriffs Association for the recent donation of the breathalyzer and ballistic helmets.

The addition on these two tools to our department will make our jobs more efficient as well as making our officer's response to any armed incident safe.

As the Director of Public Safety, I wish to personally express my appreciation for your organizations concern for police officers and your dedication to making the thin blue line safer each day.

Respectfully,

J. Mark Wall

Director
