To Whom it may concern,

On behalf of the Town of Oakland Police Department, I would like to thank the United States Deputy Sheriff's Association and all of their constituents for their equipment donation to the Oakland Police Department.

The donation of the Thermal Imaging Camera, PBT, and Narcotic Test Kits has been a great asset to the Police Department. We have used the donated equipment on multiple occasions. The donated equipment has helped the Officers perform their duties more efficiently.

Thank you so much for your support.

Chief Reggie Woodall.
