Reference: Donations

I just wanted to send a personal thank you from the Ola Police Department for your most generous donations of flashlights and protective vests. The items are being used on a daily basis and are very much appreciated by all. As you know protective vests are very expensive and your donation has filled a much needed void for our officers in their personal safety while on duty.

Again thank you so very much and we are pleased and honored to send you one of our newly designed service patches.

Sincerely,

JC Nelson

Chief of Police

Ola Police Department, Arkansas
