

The Ottawa County Sheriff's Office would like to thank the United States Deputy Sheriff's Association for providing 4 Avon C50 gas masks with filters. These gas masks will help in our jail if chemical agents are needed to be used during any inmate uprisings. This office could not have afforded to purchase these on our own, but with the help of the USDSA we are able to keep detention officers safe if the need arises.

Once again thank you

David Dean
