On behalf of the Officers of the Overbrook Ks. Police Department and myself, we very much appreciate the donation of the four ballistic vests, P.B.T., 6 Emergency Belt Trauma Kits, and 6 tactical flashlights.

As Police Chief of a small department, it is very difficult to purchase needed equipment with as equally small budget. I have scrounged around and asked for help from larger departments just to get surplus used equipment, so it is a relief to have your donation of NEW body armor as well as the other items. Your organization is nothing short of a God Send. Once again, thank you and God Bless.
