United States Deputy Sheriff's Association

On behalf of the Pike County District Attorney's Office Criminal Investigation Division we would like to thank the United States Deputy Sheriff's Association for the generous donations of equipment they made to this agency. The two portable breath test that were donated has made it safer for the public, residents in our County and assisted in our new County DUI Task Force that was developed this past year. The eight tactical helmets and eight emergency raid trauma kits has also made it safer for our agency's members that are on our County 's Drug Task Force and for those members who assist in serving search warrants. These equipment donations that were made is a tremendous help to our agency.

Thank you again for your help to this agency and for all the great work you do for all other agencies.

Michael Jones

Chief County Detective
