United States Deputy Sheriffs' Association  
2909 S. Spruce  
Wichita, KS 67216

Gentlemen:

On behalf of the Palo Pinto County Sheriff's Office, I would like to thank the United States Deputy Sheriffs' Association for the very generous donation of the FLIR Scout TK thermal imager and the Nark II narcotic test kits.

Being a rural county, with many different types of terrain, the thermal imager will be utilized by our agency during calls such as search and rescue, missing persons, manhunts and other similar types of incidents.

The Nark II test kits will be utilized on a daily basis to assist the deputies in making arrests for possession of the various controlled substances that we are encountering in our community.

The United States Deputy Sheriffs' Association has been a valued partner to our agency for the past several years. The support that we have received by means of quality training and the donations of needed equipment has played a meaningful role in our duties to protect our community; all without a cost to our agency.

Thank you again for the generous donation of equipment to our agency and the continued support that we receive from the United States Deputy Sheriffs' Association.

Sincerely:

Brett E. McGuire, Sheriff
