MAYOR
John Clark

September 7, 2022

Greetings,

I would like to personally thank the United States Deputy Sheriff's Association for the gracious donation of the Paraclete ballistic shield. The ballistic shield will be utilized for the protection of our officers during potentially volatile incidents. As a small Police Department, we appreciate the donation as special equipment such as this, is not often allotted due to budget limits. Again, I would like to express my sincere appreciation for this donation.

Respectfully

Chief Richard McFarland
