Cody Adams
Mayor

To: United States Deputy Sheriff's Association

Re: Safety Equipment Donation

Thank you for your recent donation of safety equipment to the Parker Police Department. Your equipment donation of the FLIR Scout TK, CAT tourniquet, CAT Tourniquet holster, and the drug test-kit bundle is much appreciated.

Without your donation it would have been very difficult for our agency to have purchased these items with our current budget. Your donation will contribute to keeping our staff safe while on patrol.

Respectfully,

Craig Haley
Chief of Police
