Wichita, Kansas 67216

Dear Mr. Willis,

On behalf of the Pasquotank County Sheriff's Office, I would like to personally thank you for selecting our agency to be a recipient of the USDSA Equipment Donation. This equipment donation was used to acquire traffic cones for each of our patrol vehicles. This donation allows our deputies to better manage traffic accidents with fewer personnel and to also provide all of our public safety personnel with a highly visible traffic control item to provide additional safety.

Our public safety personnel have a higher chance of making it home to see their loved ones because of you and the United States Deputy Sheriff's Association. For that, I am forever grateful.

God Bless,

A handwritten signature in black ink that reads "Tommy S. Wooten II".
