From: The Pawnee County Sheriff's Reserves

The Pawnee County Sheriff's Reserves would like thank you and your staff all for the great training we have received for the last 4 years. Because of your training, our reserves and the other departments that have been able to join us for these classes will be on the same page when we do this in the field. In the past four years we have done the Tactical Entry/Active Shooter Response, Felony / High Risk Vehicle Stop and your Instinctive Hand-to-Hand Combat. This year your organization donated 3 Personal breathalyzer testers, which we greatly appreciate, and will be able to put to good use in the interdiction of impaired driving in our county. In the past we were able to get plastic training guns, defensive tactic training gear, and a ballistic shield. The donations are great, but do not mean near as much as the help, knowledge, and training that we received from Mike Willis, David Hinners, and the other who have came down to Pawnee Oklahoma to help our County. We are so fortunate to be able to turn to your organization for the training you offer, as well as the camaraderie that we have between us. On behalf of all of us at the Pawnee County Sheriff's Office, thank you all and we look forward to seeing you again!!!!
