Reference: USDSA Donation

Dear Mr. Mike Willis,

On behalf of the City of Pawnee and the Pawnee Police Department we would like to thank you and the United States Deputy Sheriff's Association with the donation of a ballistic shield and emergency trauma kits for our officers. Your generous donation allows our officers to conduct their duties with the availability of lifesaving equipment that they would not have otherwise had.

Thanks again to you and the USDSA for donating much needed equipment and training to law enforcement agencies everywhere. The equipment, training, and services you provide allow our officers to better protect and serve our community.

Sincerely,

Wesley Clymer
Chief of Police
