To whom it may concern,

We at the Pawnee County Sheriff's Office would like to sincerely thank United States Deputy Sheriff's Association and CMI Inc. for the donation of the portable breath testers. This equipment will greatly assist the deputies in the interdiction of impaired driving in Pawnee County to help protect the citizens. Since we are a small and rural agency with a limited budget this equipment would be considered a luxury that we could not afford, but a much needed tool for our deputies. The Pawnee County Sheriff's Office would like to say thank you very much for your consideration and donation.
