

OFFICE OF  
**PAYNE COUNTY SHERIFF**  
SHERIFF JOE E. HARPER

I would like to say thank you to the United States Deputy Sheriff's Association. The USDSA donated weapon lights to the Payne County Sheriff's Office. This equipment will be used to help keep deputies safe in dangerous low light situations.

Furthermore, I would like to express my appreciation to the USDSA for their quick response to this equipment request. I can truly say the USDSA believes the safety of our law enforcement officers is of the utmost importance.

Thank you, and stay safe.
